President's Report

Summer is finally here! It's time to ride! If you don't social distance on a bike you have bigger problems. Please volunteer to lead a ride.

THE JULY MEETING DATE HAS CHANGED! We will be meeting at the VFW this Friday June 26th beginning with a rally meeting at 7:00 and business meeting at 8:00. THIS IS A HUGELY IMPORTANT MEETING! If you can make it, please do. We will discuss the status of this year's rally.

Like last month if you're not from the same household we need social distancing. This includes a MT chair between and don't sit directly across from people. I will make sure we have time to socialize safely. It seemed to work well last month. Hope to see y'all there.

MAY YOU ALWAYS RIDE IN SUNSHINE,
MAY YOU NEVER WANT FOR MORE,
MAY IRISH ANGELS REST THEIR WINGS
RIGHT BESIDE YOUR DOOR.

Ride safe,

Bob L.

BMW Club – June 2020 Meeting Minutes

Submitted by Dave Kurth

President Bob Lannin called the meeting to order.

Bob counted 17 members in attendance. Bob made a motion to table the meeting for June 2020 until the July 2020 meeting due to lack of attendance and a quorum. The motion was seconded.

The July 2020 Club meeting will be held Friday, July 26th 2020 at 8:00 pm at the New Berlin VFW Hall.

A Rally Planning Meeting will also be held that same evening at 7:00 pm at the New Berlin VFW Hall.

Informal discussions were held on the pro's and con's of cancelling the 50th Rally this Fall 2020 or postponing it a year until Sept 2021.

Dave Kurth was belatedly presented with three different awards from the Installation Dinner held in February. Dave and Margo were out of town visiting family that weekend. Dave was presented with the "The 2019 Ward Erdman Award", 4th Place in points as a member, and the 10 year membership pin.

Margo and Dave were presented with 2nd place in points as a couple.

"Thanks for your friendship and trust".

July Rally report

Two months left 'til rally time. There is still a great deal of uncertainty as to what things will look like in September. I will not speculate on the future of this year's rally but will instead defer to the decisions that will be made at our next scheduled club rally meeting. This, being our 50th rally, needs to be an affair to remember and may decide what the next 50 will or will not look like. For those club members that appreciate our rally, and would like to have a say on its future, please attend the next meeting. For those that, for whatever reason, will not be attending but do have an opinion, please contact me before June 26th, so we can talk. There will be a rally meeting, June 26 at 7:00 PM before the regular club meeting at the New Berlin VFW post. Note that this meeting will not be held on the usual first Friday due to July fourth falling on a Saturday. This is a big one as there will be a lot to discuss. We will not be providing food for this meeting but hope to do so when things get back to normal. If things ever do get back to normal. As usual, I am always available for suggestions, questions, or anything anybody wishes to discuss regarding the greatest Midwest BMW motorcycle rally ever.

Boscobel Breakfast Ride July 3rd

Yes that is correct, July 3rd. I originally started this as something to do on my day off work for the holiday. This is the 7th year for my ride to Boscobel for breakfast. The meeting location is the BP station in Palmyra at 6 am with a 6:15 am departure. We will follow country roads 150 miles to Boscobel with a stop after about 70 miles for a quick break and gas if needed. We will arrive at the Unique Café between 9:30 and 10 am for breakfast. After breakfast there will be a fuel stop and then everyone is on their own to make it home. Total miles for the day will be a bit over 300 miles. Please note that I do still need to confirm with the Unique Cafe so if there is an issue we will find an alternate. Check the forum for updates. Submitted by Doug Twing
