## Wisconsin Club Membership

Many long and lasting friendships have been made through the Wisconsin Club since its inception in 1967. You are welcome to come and join us and meet the friendly and knowledgeable people who share a mutual respect for riding BMW motorcycles.

Our membership includes men, women, families, couples, and singles. Our monthly meeting is held at the New Berlin VFW Hall and is open to all BMW riders. During the riding season, we sponsor many activities, including group rides, tech days, social get-togethers, and in September we host the annual Wisconsin Dells Rally.

Visitors are welcome. If you are interested in membership, you will be asked to attend two club rides and two monthly club meetings within 12 months prior to being voted in by the general membership. You must be the age of majority, carry liability insurance, and above all, own and operate a BMW motorcycle.

Helmets and proof of insurance are required by all participants on club rides.

## Wisconsin BMW Club President's Report

ALL HANDS ON DECK!

It's rally Time our 50th at that!

I am imploring everyone to give something of themselves. The more that contribute the easier it is. Our rally chair has had to plan and replan this rally. Let's pay him back and have his back which in this case is having all our backs.

All new members; Please stop and see me. I'll direct you to people you'll enjoy being with. We want you to just enjoy the rally.

Remember In our club everyone is an owner.

I leave you with this

Under the shelter of each other, People survive.

*True for our club too.*

Ride safe,  
Bob L.

## **Rally Report**

### AUGUST RALLY REPORT

There are only a few weeks left before the best rally in the Midwest. There is still much to do but nothing we can't handle. The July rally/ monthly meeting was very fruitful with Joy and Tim volunteering as registration chairs. Special thanks to Bob Reitberger for being an excellent host for the event (again). Those that missed this one lost out on some good food and great company. Mona and I hit up every vendor at the national rally for donations and door prizes and have received some positive feedback but **we can use more door prizes**. T shirts, pins, mugs, etc. are ordered and destined to arrive at the last minute. After much work by Jim, Rick, Mike, and Ernie, the prize giveaway R80 is ready to roll down the road for some lucky winner.

I've asked the DOT to bring their ride simulator to the rally on Friday and they have agreed. "SkyMed" (emergency travel services) will be doing a seminar and as of right now, we will be having a Yoga class, and Todd K. has agreed to do a seminar. If anyone would like to volunteer to lead a discussion, on just about any motorcycle related subject, please let me know.

A not so nice surprise this year was finding out that the Lions club had disbanded and didn't renew their beer license. After weeks of jumping through bureaucratic hoops I managed to secure our own temporary license and six club members have received temporary bartender's licenses. We will be selling our own beer.

Anyone wanting to add their name to the volunteer list can contact me and we will find a place for you or contact the individual chairs for specific jobs. For registration: Joy M, or Tim K, Security: Dave K. Set up/Tear down: Jimmy G, Field events: Bob Lannin, Beverages and door prizes: Mona Rihn or myself. If I've missed anyone, please contact me.

Anyone that has any ideas, questions, concerns, or just wants to talk, please call, text, or message me. I look forward to it.

See you at the rally.

Bob Preuss
